Essential Reading is a project that aims to enlarge, diversify and enrich Kunstenbibliotheek's book collection. Which books are, today, really indispensable for an art library? Guests of Essential Reading bring together and present in the library the books they consider most valuable in their life and work.

Topo Copy is an 'openlab-research-center' for print, zines, paper, copy, ink and art ... with a selfpublishing label & (zine-) library, activities such as workshops, lectures, interventions and expo's. Topo Copy runs an 'open atelier' with machines for creation using ink and paper. They print Riso. Topo Copy is located in Gent.

Essential Reading is a project initiated by Kunstenbibliotheek and curated by Els Roelandt.

Essential Reading #10 is organized together with Jakob Van den Broucke and Topo Copy. It is on view at Kunstenbibliotheek from 28 April until 5 June 2019.
