**Essential Reading is a project that aims to enlarge, diversify and enrich Kunstenbibliotheek's book collection. Which books are, today, really indispensable for an art library? Guests of Essential Reading bring together and present in the library the books they consider most valuable in their life and work.** Kunstenbibliotheek remains closed until further notice, Essential Reading #16 is on view online at [Kunstenbibliotheek.be](http://Kunstenbibliotheek.be) from August 10, 2020 onwards. Essential Reading is a project initiated by Kunstenbibliotheek.

**Other Women's Flowers** is a beehive, a shared dinner and a women's library. Also a book-club, a literary archaeological cabinet and an artistic playground. It was born out of the wish to share, discover and discuss the written work of women, and to do so in a celebratory, playful way.
