Sophie Nys: *Alas*. Gent: Grafische Cel LUCA School of arts, 2021

Elizabeth Lebon, *The Book of Ghost*. Geneva: Boabooks, 2018

“It’s not that I don’t think that the word originality means anything or has no meaning, I just think it’s gotten a very narrow meaning lately. What I think about in terms of my work is broadening the definitions of the word “original.” I think originality as a trope*. There is no such thing as an ahistorical activity (I mean history in terms of one’s personal history, too).”

Sherrie Levine interviewed by Jeanne Siegel, originally published in ARTS Magazine, Summer 1985

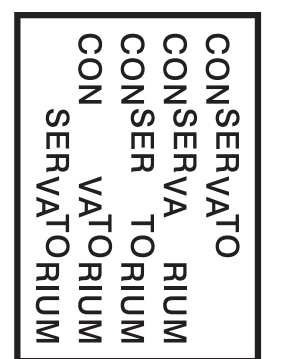

With *After a brief history of artists' publications* we browsed Kunstenbibliotheek’s artists’ book collection and selected works which refer, appropriate, sample or wink to what was made before.

Read more on artists’ books

* A trope is a word used in a nonliteral sense to create an image. Trope refers to different types of figures of speech, such as puns, metaphors, and similes.
